1. **Water and Spirit NEW**

Is Baptism really necessary for salvation? What does it actually do? Why do Catholics baptise babies? In this **4-week course**, Simon will make the case for why Baptism is necessary for salvation, unpack what Baptism does, as well as answer a multitude of objections to infant baptism and baptism in general. This course will conclude by answering whether or not those who are not baptised can be saved.

2. **Why do Catholics Pray to Saints? NEW**

Why do Catholics pray to saints instead of praying directly to Jesus? Are Catholics guilty of necromancy, conjuring the dead, when they pray to saints? In this **4-week course**, Simon will not only show that there is sound biblical evidence for praying to saints but will also respond to all the major objections to invoking the intercession of the saints and venerating them with statues, images, and relics.

3. **Theology of the Body: Awaken Your Desire**

What is the Theology of the Body? In this **6-week course**, Simon systematically works through St JPII's Theology of the Body to answer the deepest questions of the human heart and love, life, sex and purpose. This talk will help you experience true sexual freedom, heal sexual woundedness and much, much more!

4. **How to Date with Passion and Purpose**

What is the purpose of dating? In this **6-week course**, Simon will provide a roadmap, a guide, and a strategy to navigate what can be a very confusing and painful time for young Catholics - singleness. Please dont go on a date until you have attended this course :)
